Windows Vista Dial Up

Click on 'Start' (circle lower left hand corner)

Go to 'Connect To'

Click on 'Set up a connection or network'
(there are 3 options at the bottom…this is the middle one)

Click on 'Set up a dial-up connection'
(this is the 2nd to last one at the bottom)

The next screen will be all the ISP info…
1.) Dial-up phone number: 2682525
2.) User name: username all lower case letters
3.) Password: password all lower case letters
4.) Connection name: geetel

Skip to E-mail Setup if you already finished the Above Instructions

If Vista is set up in Classic Mode, you have to go to 'Start', 'Settings', 'Control Panel', then to 'Network and Sharing Center'

Then on the left side, click on
'Set up a connection or network'(4th one down)

and go from step 4 at the top
(Click on 'Set up a dial-up connection'
this is the 2nd to last one at the bottom)
